UPON hearing the counsel the Court made the following  
O R D E R

This Court on 18<sup>th</sup> November, 2015, after hearing learned counsel for the parties, had issued certain directions. Thereafter, the Court observed thus:-

"Learned counsel appearing for both the sides are at liberty to file affidavits which may contain the data of the dog bites and the steps taken by the local bodies with regard to destruction/removal of the stray dogs. They are also at liberty to file data pertaining to population of stray dogs. The local authorities shall file affidavits including what kind of infrastructures they have provided, as required under the law. Needless to emphasize, no innovative method or subterfuge should be adopted not to carry out the responsibility under the 1960 Act or the 2001 Rules. Any kind of laxity while carrying out statutory obligations, is not countenanced in law.

A copy of the order passed today be sent to the Chief Secretary of each of the States and the competent authority of Union Territories, so that they can follow the same in letter and spirit."

In pursuance of our order, the State of Orissa, the New Delhi Municipal Council (N.D.M.C.), South Delhi Municipal Corporation and the Bombay Municipal Corporation (B.M.C.) have filed their responses. It is submitted by Mr. Shekhar Naphade, learned senior counsel appearing for the B.M.C. that under Section 9(h) of the Prevention of Cruelty to Animals Act, 1960, (for short, 'the Act') the Animal Welfare Board (for short, 'the Board') is to cooperate with the local authorities. Section 9, as has been stated in the earlier orders, deals with the functions of the Board. Clause (h) of Section 9 of the Act reads as follows:

"9(h) to co-operate with, and co-ordinate the work of, associations or bodies established for the purpose of preventing unnecessary pain or suffering to animals or for the protection of animals and birds."

It is urged by Mr. Naphade, learned senior counsel that the Board works with the aid and assistance of Animal Welfare Organization, which has been defined under Rule 2(b) of the Animal Birth Control (Dogs) Rules, 2001 (for short, 'the Rules'). Rule 6 of the aforesaid Rules read as under:-

"6. *Obligations of the local authority.*- (1)  
The local authority shall provide for-

- (a) establishment of a sufficient number of dogs pounds including animal kennels/shelters which may be managed by animal welfare organizations;
- (b) requisite number of dogs vans with ramps for the capture and transportation of street dogs;

- (c) one driver and two trained dog catchers to be provided for each dog van;
- (d) an ambulance-cum-clinical van to be provided as mobile center for sterilization and immunisation;
- (e) incinerators to be installed by the local authority for disposal of carcasses.
- (f) periodic repair of shelter or pound.

(2) If the Municipal Corporation or the local authority thinks it expedient to control street dog population, it shall be incumbent upon them to sterilize and immunise street dogs with the participation of animal welfare organizations, private individuals and the local authority.

(3) The animal welfare organizations shall be reimbursed the expenses of sterilisation/immunisation at a rate to be fixed by the Committee on fortnightly basis based on the number of sterilisation/immunisation done.

(4) The Monitoring committee of the said locality shall meet at least once in every month to assess the progress made in regard to implementation of the Animal Birth Control Programme."

Submission of Mr. Naphade is that it is the duty of the Board and the Animal Welfare Organization to assist the local authorities and not to create impediment. We are sure that the Board and the Animal Welfare Organization shall act within the parameters of the Act and the Rules.

In course of hearing, we have been apprised that the real problem is the implementation of the Act and the Rules. Learned counsel for the parties very fairly stated that the litigation is not adversarial, but the purpose is to see that

the Acts and Rules are appositely implemented and the compassion to animals and the healthy existence of the human beings are seemly balanced.

We will be failing in our duty if we do not make a note of the submissions of both the sides which are extreme in nature, for example, emphasis and stress have been laid that due to stray dogs, there has been threat to life, health, movement and sometimes security of the human beings. On the other hand, it has been highlighted that the stray dogs are being annihilated without any justifiable reason. As advised at present, we do not intend to say anything on the said counts today.

On the last occasion, we had asked the Chief Secretary of each of the States and competent authorities of the Union Territories to act in letter and spirit of the previous order. As has been indicated earlier, responses have been filed by the State of Orissa, N.D.M.C., South Delhi Municipal Corporation and B.M.C., Mumbai. Considering the facts and circumstances in entirety, we direct the Chief Secretary of each of the States, either himself or through the Secretary of Health and the competent authorities of the Union Territories to send the report as regards the implementation of the Act and the Rules to the Board within six weeks hence. Ms. Anjali Sharma, learned counsel appearing for the Animal Welfare Board, on receipt of the report, shall

apprise Mr. Gopal Subramaniam, learned senior counsel appearing for the Animal Welfare Board and the Board shall file a module keeping in view the parameters of the Act and the Rules for appropriate implementation. Needless to emphasize, the Union of India shall be at liberty to work out the module. Learned counsel appearing for the parties can also give their suggestions after the module is filed in Court

The report submitted to the Board by the States and the other competent authorities shall be filed before this Court through their Standing Counsel. Copies of the writ petition and the special leave petitions shall be supplied to all the concerned by Ms. Anjali Sharma, learned counsel appearing for the Animal Welfare Board. The order passed today along with the previous order be sent by the Registry of this Court to the Chief Secretaries of the States and the administrator of the Union Territories so that they can do the needful in the matter.

At this juncture, Mr. Dushyant A. Dave, learned senior counsel has submitted that the said authorities should indicate in the report as to how many deaths have occurred due to dog bites and what steps have been taken. Additionally, it is suggested by him that the report must also indicate the number of sterilization that have taken place and the resources available on the said front. We

direct all the authorities to include the same as a part of the same in the report.

As we have given time for the submission of report within six weeks, we give further four weeks time to file the module by the Board.

At this juncture, it is submitted by Mr. Rakesh Kumar, learned counsel appearing for the South Delhi Municipal Corporation that they have a problem in dealing with the stray dogs because of certain communication received by the Delhi International Airport Private Limited (DIAL). Mr. P.S. Narasimha, learned Additional Solicitor General and Mr. Gopal Subramaniam, learned senior counsel appearing for the Board, shall see to it that the problem is sorted out.

We will be failing in our duty if we do not note the submission of Mr. Dushyant A. Dave that though the Act and Rules provide for sterilization of dogs so that safety of the human beings is not jeopardized, yet they are not being sterilized by the authorities, either for lack of funds or due to apathy. Regard being had to the provisions governing the field, we direct that the dogs which are required to be sterilized or vaccinated, the procedure shall be carried out in accordance with the Act and Rules and no organization shall create any kind of obstacle or impediment in the same. It shall be the obligation of the Board to oversee that this is being carried out and no obstructions are created in this

regard from any quarter.

The copy of the module to be prepared by the Board, shall be given to the learned counsel for the parties.

Let this matters be listed on 12<sup>th</sup> July, 2016.

I.A. No.4 of 2015 in W.P.(C) No.599 of 2015

Heard Mr. V.K. Biju, learned counsel for the applicant.

It is submitted by Mr. Biju that he has filed this interlocutory application keeping in view the miserable conditions of the families, who have suffered because of death of the breadwinner due to dog bite. Learned counsel would submit that despite time being granted, the State of Kerala has not filed its response. Ms. Liz Mathew, learned counsel appearing for the State of Kerala submits that she will file the reply in course of the day. Objection, if any, thereto be filed within three days hence.

Let this interlocutory application be listed on 18<sup>th</sup> March, 2016.
